

Kevin Mustac Signs With Rhode Island U.

Senior Kevin Mustac has accepted a full football scholarship offer from Rhode Island University. The 6'6 265lb offensive tackle/defensive end is a two year unanimous all B.C.S.L. and a two year second team all Bergen county performer.

“Kevin’s size is a big factor in gaining college recruiters attention but when they watched him on tape they all were impressed with his athletic ability” said Coach Mike Sheridan. “Kevin was the guy we ran the ball behind on offense (over 2,000yards) and counted on for big game changing plays on defense”, continued Sheridan.

Kevin has led the Gaels to State Final appearances in both his Junior and Senior seasons where his play was noticed by many college recruiters. “Watching him play on tape against other division 1 players convinced our staff that Kevin has the ability to play at Rhode Island University” said Head Coach Joe Trainor.”
