

Cheer Update!

Cheer Update

The Saint Mary Varsity Cheer Team attended the Universal Cheer Association Stunt and Performance Camp on August 2nd- 4th. They learned several new cheers and dances. The team was also privately coached by UCA professionals on new stunts and transitions they can use in their sidelines and routines. Several of our very own SM Gael cheerleaders also participated in a "Jump Off" Competition. On the final day of camp, the cheerleaders had the opportunity to perform a cheer and a dance routine for their final performance. The team worked really hard to perfect each routine so that it would be looking its best for final judging! I am extremely pleased to report that the Team won a Superior Trophy and two Superior Ribbons for their Cheer and Extreme Routine performances! Get excited to see all that the cheerleaders are capable of this season!!!!!!!!!!
