Alumni Memorial Tuition Assistance Program

St. Mary High School is **Small, Personal, and Catholic**. It has been the educational choice of thousand of parents and students over it's eighty years of existence. Today 98% of St. Mary High School graduates attend four year universities across the country earning over 3.5 million dollars in scholarships and grants.

This **Small, Personal, and Catholic** school has a tradition of placing it's graduates at some of the most prestigious colleges and universities in the country. Notre Dame, Princeton, Boston College, Villanova, Colgate and Northeastern, to name a few.

However, due to today's economy, layoffs, and the rising costs of technology and other educational needs, we need your help. This year the number of families applying for tuition

assistance has tripled. The burden of this financial crisis cannot be shouldered by the school and parents alone.

Please consider participating in the Fall Golf Classic and becoming a sponsor of this worthy cause and help keep St. Mary High School an affordable option for families seeking a **Small, Personal, and Catholic** education.

Please take the time to fill out the entry form below and return it to St. Mary High School. We look forward to seeing you at the outing on October 15th.

If you have any questions or would like more information about our Tuition Assistance Program please call our Development Office at 201-933-5220, x270.
