Take Charge of Education

It's easy to **support your school** with everyday purchases made at Target.

There's no cost to you and to select our school only takes a minute.

If you have any of Target's RedCards

You simply call **1-800-316-6142** to select our school and when you shop and use your card for purchases, Target will donate up to 1% of the total purchase amount back to our school.

St. MaryHigh School **ID # 10289**

It's that simple. The holidays are coming and if you shop at Target and already use their cards, why not **support SMHS** .

If you'd like to find out more about this program or to see our school's progress, go to Target's website and select the RedCards link at the top of the screen. Then choose the Take Charge of Education link on the Left.
