

SAINT MARY HIGH SCHOOL

GAEL FOR A DAY PROGRAM

The *GAEL FOR A DAY* program at St. Mary High School is a great way for prospective students to experience our school. The program is open to 8th grade students from October 1st until May 30th. Starting in March, we welcome 7th grade students to join us as well.

To make an appointment and become a *GAEL FOR A DAY*, please call Mr. Michael Sheridan in the Admissions Office at 201.933.5220, ext. 270. Your son or daughter may request a freshman student to shadow if one is known, otherwise a student will be assigned to host your son or daughter. Selections are based on similar interests in academics, clubs, sports, elementary school, and hometown.

The *GAEL FOR A DAY* should arrive with a parent at 8:00 am to meet with our Principal Mr. Roy Corso, Mr. Sheridan, and the student's host for the day. Parents are welcome and encouraged to join us for a brief introduction and will be given the opportunity to ask questions. The pickup time will be 2:15 pm. Parents and visiting *GAELS* are also welcome to meet with Mr. Corso at the end of the day to provide feedback on their experience.

All students will be provided with a free Lunch Voucher and a letter to excuse their absence from school while they participate in our program. Students are asked to dress appropriately. No sneakers or jeans are permitted. Dress slacks and collared blouses or shirts are required.
