Greeting from Our Pastor – Rev. Michael J. Kreder

Dear Alumni and Friends of St. Mary High School,

On last week's news, after showing the moving scene of a man given permission to hug the policewoman convicted of killing his brother, Judge Tammy Kemp left her bench, went into her chamber, and quickly returned with a Bible which she handed to the convicted cop. "You just need a tiny mustard

seed of faith," the judge told her, "You start with this." The quote the judge was referring to is often displayed at sporting events: John 3:15: **"For God so loved the world that he gave his only Son, so that everyone who believes in him might not perish but might have eternal life."** What a testimony that judge gave to the tremendous power of our faith-in-action.

Our society desperately need people like that judge to sow the seeds of faith into a world that has become so unaware of, indifferent to, and even hostile toward God and religion. While some cite the violent or sinful misdeeds of the few who misrepresent God as a reason to reject all religion, we know that faith has been, is, and will be a great source of strength for all who practice their religion properly. All the more reason why the great alumni of **Saint Mary High School** must share the Catholic ideals and teaching instilled in them through Catholic education whenever, however, and to whomever they can! However, as our first Pope cautioned:

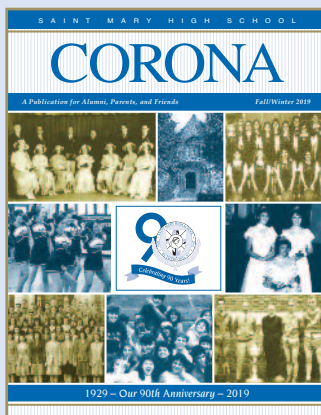

***"Always be ready to give an explanation to anyone who asks you for a reason for your hope, but do it with gentleness and reverence."
[1 Peter 3:15b-16a]***

While I know that none of you conduct your finances, monitor your health, or strive to fulfill any of your duties with only what you learned when you graduated from **Saint Mary High School**. [I hope and pray you have continued to learn more and develop your skills!] Yet so many rely on what they learned about their faith as children as they deal with complex, adult situations. One of the best ways you can honor those who sowed and nourished the seeds of faith is to enhance and bring to blossom what they started. They, and I, would also be grateful for whatever you can give to help others be gifted with what you received at **SMHS**. And while we have many earthly needs, your spiritual support, through prayer, is also essential.

The faculty and staff of **SMHS** - and I - are also appreciative of your visits to our facilities; contact our **Development Director**, Michael Sheridan, to arrange for a tour and see for yourself all that we have done ... with your support. Mike can also assist you in building up our **SMHS Scholarship Fund**, which helps others be gifted with the great **Gael Catholic Education** which, I hope and pray, was sown in you. May our **Blessed Mother, Our Lady of the Rosary**, intercede for you; may your sacrifices to support **Catholic Education**, our Alumni Association and its director, Mike Sheridan, our principal, Tara Blunt, our faculty, staff and students, the Board of Directors, and all our benefactors be pleasing to the God who cannot be outdone in generosity.

With God's love and my prayers,

Very Reverend Michael J. Kreder, V.F., KCHS
Pastor

Letter from Our Principal – Tara Brunt

Dear Alumni and Friends,

As we celebrate the 90th anniversary of St. Mary H.S., we pay tribute to our long and illustrious history. How fitting that the traditional gemstone in regard to a 90th anniversary is the diamond! Like the cuts of a diamond, St. Mary H.S. is multi-faceted: We are Catholic, Academic,

Athletic, and Artistic. We are SM!

All students come to St. Mary with gifts and talents that are nourished and encouraged like a diamond to sparkle and shine. Throughout its history, St Mary in turn shines from the reflected energies and achievements of our alumni and current students.

In the passage of these ninety years, you have often shared the richness of your experiences. You have demonstrated your multi-faceted diversity and achievement. You are our treasure and our support. Any celebration of our 90 years is not a celebration of a building. It is a celebration of you!

What does the future hold? For as long as we continue to enjoy the blessings that come from you, we will continue to fulfill our mission through the next ninety years. We will educate, enlighten and empower new generations in the Catholic tradition.

Our motto remains "Small, Personal, Catholic"

We Are SM!

Blessings,

A handwritten signature in black ink that reads "Mrs. Tara Brunt". The signature is written in a cursive, flowing style.

Tara Brunt
Principal

Save-the-Date 29th Annual Gael Open

Thursday, June 4, 2020
1:00 PM Shotgun
Forest Hills Field Club
Bloomfield, NJ

Why I Thank St. Mary Alumni!

The Alumni of St. Mary have given me the opportunity to have the best high school experience possible and to many other students as well. In both sports and extracurricular activities, the Alumni have made large contributions to our success and tradition here at St. Mary. Being a part of the football team and powerlifting program, I have been a witness to the dedication of the St. Mary Alumni and their efforts to carry on their traditions and legacies.

– Nicolas Bizien, Class of 2021

Why Your Donation is Needed

Dear Alumni and Friends,

First and foremost I would like to thank all the alumni and friends who have donated this past year. Please know that the administration and staff of your alma mater are very appreciative and are working hard to uphold

the academic and moral values you were taught throughout your journey at St. Mary's High School.

This magazine is a testimony to that commitment and details our new curriculum initiatives as well as the successes of clubs and activities that we enjoyed so much as SM students. Our proud athletic tradition continues to garner respect through upsets such as the baseball program's miracle State Championship win over heavily favored Gloucester Catholic, the #1 team in the entire state of New Jersey.

The SMHS product remains attractive to many families, and we have had over 250 prospective parents and students visit us through Open Houses and our Gael for the Day program this past year.

Enrolling these prospective students is where we need your continued financial support as well as more alumni to join our effort and donate.

We need to help these interested families afford the \$11,000 tuition. Your donation goes to our Financial Aid and Alumni Scholarship Programs that award financial packages to students and families who qualify for assistance.

Please donate whatever you can afford and encourage classmates and friends to join this great cause. It's up to us to continue the wonderful St. Mary HS Catholic education experience!

Go Gaels!

Michael P. Sheridan '77

Alumni/Development Director

@SMHSRutherford

Why I Thank St. Mary Alumni!

St. Mary's has become a home to me thanks to the amazing student body, faculty, and alumni. Thanks to the endless generosity of the alumni, I am able to follow in my sister's footsteps in attending the school I am so incredibly honored to be a part of. The financial support given to students like me, helps tremendously. Without it, we would not get the chance to be a part of the great community of St. Mary. While attending St. Mary, I have been given the chance to play varsity volleyball, basketball and softball, become a student ambassador, and take great academic courses. Being a Gael doesn't mean that you simply go to St. Mary, but rather that you are a part of a family.

– Adriana Cabrera, Class of 2022

Academic Update

For 90 years, it has been the mission of St. Mary High School to provide educational opportunities to its students by helping them discover their individual potential to ensure a smooth transition to post-secondary study. Through a variety of courses and activities, our students receive instruction that promotes a mastery of skills, problem solving, and critical thinking.

In order to have our students be on the cutting edge technologically and scholastically, St. Mary has initiated the use of the Google Suite Package in all classes. This program enables teachers to incorporate Google Sketchup into the curriculum. Recently, Mr. Ziaya implemented our STEM program in his Psychology class by analyzing the brain's neurological structure. After exploring the biology of a neuron, the different types of neurons, and the functionality of these cells, students put their knowledge to work by creating a 3-D model of motor, sensory, and inter-neurons. The students created somas, dendrites, axon terminals and axons in Google Sketchup. Google Sketchup allows students to create various 3-D shapes and models, which can then be 3-D printed and pieced together to make a physical model. Once the students completed their modeling, they cross compared their model to actual neurons from a sheep's brain that they had dissected. Then the samples of brain matter they took were analyzed under a microscope. Students had the opportunity to take something microscopic and invisible to the naked eye and transform it into a tangible reality. Mr. Kirby and the students in Chemistry will be using the 3-D printer to construct an atom using Bohr's Model of the atom. It will not only explain atomic spectra but will allow the students to see how the electrons can move from one orbit to another by absorbing or emitting energy.

Opportunities for students extend beyond the classroom. Concurrently with their Engineering class, students attend "Engineering Tomorrow," a program that introduces students to real world engineering projects and applications. Teachers have attended various workshops and seminars to learn how to integrate new technologies into the existing curriculum.

Implementing new ideas and to foster our STEM program requires frequent updates. This past summer, all new networking and WIFI were installed. Furthermore, 40 Chromebooks were added to our existing supplies of hands on material. Updates were made to our presentation equipment in the auditorium and all classrooms are outfitted with projectors.

As our STEM program continues to grow, other academic opportunities have increased for our juniors and seniors. St. Mary is now a partner with Felician University in their Project Forward program. Qualifying students can enroll in college courses and receive college credit while still in high school. Students take the courses on the Felician University campus and experience "college life" before they graduate high school. This year, seven students enrolled in the program.

True to our vision, St. Mary remains an exciting and challenging place, where students enthusiastically participate in innovative learning experiences. Our goal is to empower each student to become enlightened members of our society, to prepare them for college and what the digital-age future will bring. Students that are educated and equipped with the technology of today, will become the leaders of tomorrow and may possibly be the creators of technology not yet known to us today.

Sincerely,

Marci Shrank
Vice Principal

Why We Thank St. Mary Alumni!

We are eternally grateful for the St. Mary Alumni. We are especially thankful for their generous scholarships, which we both received. With the continued support and dedication of the Alumni, we are blessed to be able to attend our High School of choice. Being a part of SMHS has given us life lessons in faith, discipline, respect, and determination. We strive to do our absolute best in all areas, and will not take one single day for granted as a SM Gael. SMHS is not just a high school we HAVE to attend; it is a high school we WANT to attend. Again, we sincerely thank the SM Alumni for affording us this opportunity to be a part of the St. Mary Family.

– Brandon Kaczyk, Class of 2023 and Ryan Kaczyk, Class of 2020

2019 Distinguished Patrons

Presenter Joe Martini and
Richard Pigott

Richard Pigott '57

Richard is one of the most dedicated and committed Alumni Class Reps, as well as, one of our most generous.

Richard practiced as an attorney for 32 years at Prudential. He represented Prudential's Real Estate Group, the largest real estate investor in the United States at the time. Richard credits the Dominican Sisters of St.

Mary High School for preparing him for college and for being offered a full scholarship to attend Seton Hall University. Upon graduation, Richard briefly served in the United States Army before choosing to attend law school at Seton Hall. He married his wife Maureen in 1964 and began his successful career with Prudential.

Presenter Tim McNeilly
and William Einreinhofer

William Einreinhofer '70

Born and raised in Rutherford, William is the son of former Mayor of Rutherford, William A. Einreinhofer. William developed a talent for writing when he was on the staff of the St. Mary High School newspaper. His passion for writing led him to direct the documentary "Shanghai 1937: Where World War II Began."

The documentary traces the roots of American involvement back to an unlikely place: Shanghai, China. William had a successful career developing and producing programming for *PBS News Hour*, *Good Morning America*, and HBO. William is a three-time Emmy Award winning producer and director.

Presenter Beth Duffy and
Janet Mariano Merli

Janet Mariano Merli '68

Janet is the proud daughter of Vincent Mariano, Class of 1941, one of our first Distinguished Alumni Award winners. Janet's career in higher education spanned 44 years at several institutions. She recently retired from her position as Director of Financial Aid at Felician University. Janet returned to St. Mary as a

volunteer to meticulously enter every graduate's information into our new alumni database. As a representative for the Class of 1968, Janet played an integral role in organizing its 50th Reunion this past fall. Janet is married to Joseph Merli, retired Captain of the Rutherford Police Department. Janet and Joe have a daughter, Bridget.

Christopher Brancato

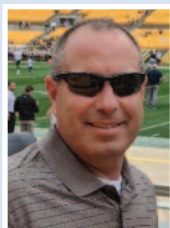

Christopher Brancato '02

Chris has devoted his life to helping those in need and has worked with Catholic Charities in various capacities since he was a teenager. Previously, he served as the Director of Development and Public Relations for the Department for Persons with Disabilities (DPD) and prior to that, he was the Director of the Fitzpatrick House Group Home in

Pompton Lakes. As Director of Development and Public Relations for DPD, he organized, grew, and chaired one of the largest and most successful golf outings in the world.

Chris earned a Master's Degree in Clinical and Counseling Psychology in 2010 from William Paterson University. He is a past Board Member of the Domestic Abuse & Sexual Assault Intervention Services (DASI) and a current Board Member of the Jefferson Township Chamber of Commerce. He is also a member of the New Jersey Association of Fundraising Professionals, a Member of the Knights of Columbus (#3835 Our Lady of the Highway Council), a Rotarian, and a member of DPD's People Need Friends Volunteer Group. Chris and his wife, Jaclyn were recipients of the 2013 Diocese of Paterson, Vivere Christus Award for service and he was also the Paterson Federations 2017 Knight of Columbus of the Year for his service to the Order.

Why I Give!

Due to the impact that St. Mary's had on my life, I want to do my part in giving back which helps to ensure the great traditions of St. Mary's are passed on to future generations.

– Daryl Bagnuolo, Class of 1987

Why I Thank St. Mary Alumni!

Thank you to the St. Mary Alumni for giving me the opportunity to experience the true environment of a small, personal, and Catholic high school. I am able to follow my dreams with the amazing support of teachers, coaches, and challenging courses. Through your contributions, I am able to fully experience the value of attending a Catholic high school. I embrace the value of a St. Mary Gael by playing varsity volleyball, basketball, performing in the school play, serving as a student ambassador and president of the Exercise Club. I have maintained first honors since freshman year. I appreciate the generosity of the St. Mary Alumni; they instill virtues of honesty, hard work, and commitment through their continuous support and contribution to St. Mary High School. I look forward to continuing the traditions and legacy of St. Mary.

Why I Thank St. Mary Alumni!

There are three words that truly say it all, small, personal, and Catholic. I would like to sincerely thank the SMHS alumni for sponsoring me and many students attending the school to continue our Catholic journey. This year, I am involved in the student council, student ambassador program, St. Joseph's club, and I am a varsity volleyball athlete. I have been on the honor roll from the start of freshman year, I am a member of the Spanish Honor Society, a candidate for National Honor Society, and I continue to take honors courses. I am proud to have joined the St. Mary family and call myself a Gael. It is truly a one of a kind experience.

Why I Give!

Clearly the world has changed since graduating in 1973; yet SMHS remains committed to offering a rigorous, faith-centered education. Recognizing that choosing a Catholic Education may mean making financial sacrifices for many families, the Annual Giving Campaign benefits students in need of economic assistance. Supporting the Annual Giving Campaign is essential to the continued success of SMHS scholarship programs which will ensure current and future students reap the fullness of a Catholic Education ... faith, family, friendship.

Why We Give!

St. Mary is where we first met. As we reflect on our experience through high school, it is obvious why we enjoyed it and why we would like to help the next generation of students. St. Mary is more than a school; it is a family. A family rich in tradition that goes beyond pep rallies and sporting events. From the moment we began our journey through high school, we knew that the staff at St. Mary was invested in our future and truly cared about our success beyond graduation. As students developed different interests, teachers were there to help and encourage those interests.

The small class setting helps your friendships grow. The friends we met at St. Mary are lifelong friends we keep in touch with to this day. We were all guided to our individual futures through the nurturing St. Mary provided.

The faith-based education is another reason St. Mary is set apart from other schools. It gives its students the tools to grow through life and the fast-paced changes of adulthood. We give back because we want students to have the opportunity to experience the pride of being a Gael!

- Josh and Anne Tyburczyk Oed, Class of 1997

Baseball Team Wins State Championship

Reprinted from NorthJersey.com

HAMILTON — Kenny Quijano, a senior right-hander, struck out 12 Gloucester Catholic batters in a complete game to lead the Gaels to a 4-3 victory in NJSIAA Non-Public B baseball final.

St. Mary (21-9) captured its first state title since 1998 when coach Dennis Hulse was a player. This is the program's fourth championship all-time, counting two in the Non-Public C group in 1976-77.

"I'm almost at a loss for words," Hulse said. "Everyone looks at Kenny, as they should with the game he threw. But it's a collective [effort] with seven seniors leading the way. "It feels awesome, and it's probably one of the biggest upsets you're going to see in a while in the state tournament, so we're very proud of that."

St. Mary denied Gloucester Catholic (20-6) its 20th state title all-time, while completing one of its best seasons.

"This is my ninth year here, and we've been preparing every year for this game," Hulse said. "And we've only gotten to it once [a 2-0 loss to Holy Cross in 2016]. But getting to this game against [Gloucester Catholic], and beating them is the pinnacle."

"We're definitely battle-tested," Quijano echoed. "Going out there, facing a team like Gloucester Catholic – and beating a team like Gloucester Catholic – says a lot for the program."

"We knew we would face adversity, and we knew we were the underdogs," Gaels catcher Joe Valentine said. "But we knew if we came out and performed like we did last week [in a 2-1 sectional-final win], we'd come out on top."

In the second inning, St. Mary No. 9 batter Mekhi Hinds got the first of his two hits (which accounted for two-thirds of the team total). His RBI single started a four-run outburst, and the run he scored on an error at the end of the frame held up as the game-winner.

Reprinted from NJ.com

Dennis Hulse of St. Mary named NJ.com Coach of the Year
Coach Hulse pressed all the right buttons on a St. Mary team that won the Non-Public B title this spring. He's been selected as the NJ.com Baseball Coach of the Year for 2019.

The 4-3 win over 19-time group champion Gloucester Catholic meant Hulse had come full circle. He won a state championship as a senior at St. Mary in 1998.

St. Mary finished with a 21-9 record and was ranked No. 17 in the final NJ.com Baseball Top 20 of the season.

St. Mary was well-prepared for a playoff run. Hulse put together a challenging schedule that featured powerhouse programs like (Group 4 champion) Ridgewood, (Group 2 champion) Pascack Hills, Don Bosco Prep, Bergen County Tournament champion St. Joseph (Mont.) and Bergen Catholic.

"I think we are a team that does the little things well," said Hulse. "I've never cared about our record as long we are doing everything we can during the season to prepare our kids for the state tournament," Hulse said.

In the playoffs, St. Mary showed its true colors. The Gaels opened with an 8-0 win over Morristown-Beard and then a 12-2 victory over defending sectional champion DePaul. It then scratched out a 2-1 win over Gill St. Bernard's.

Around Campus

Thanksgiving Food Drives

The Student Council at Saint Mary High School has once again organized a Thanksgiving Food Drive. In 2018, the high school paired their canned and boxed food drive with the Saint Mary Church frozen turkey drive. Each grade level was responsible for donating certain items in order to fill grocery bags with the many items that complete a Thanksgiving meal. This ensured that the recipients received a whole, well-balanced Thanksgiving dinner. The students were proud to donate over 50 complete dinners to those in most need. The Student Council looks forward to organizing this grocery bag drive and working alongside the church again in 2019.

Covenant House

In order to raise awareness to the growing problem of homeless teens across America, the students at Saint Mary High School decided to think globally and act locally by organizing an in-house March Madness event to raise donations for Covenant House, a privately funded agency which provides shelter, food, and immediate crisis care and services for homeless and run away youth. All students responded to the day's campaign with over 100 students participating in a fun bracket challenge Basketball Tournament that was held in our newly refurbished gymnasium at the end of March. The student's raised more than \$1,000 for this worthy cause.

Toys for Tots

As the Advent season approached in 2018, the students at Saint Mary high school realized their abundant blessings and decided to share the Christmas spirit with those in need by hosting a Toys

for Tots Drive. This drive, spearheaded by the Marine Corp Reserves, collects and donates new toys for children whose parents cannot afford to buy them gifts for Christmas. Our high school community paired with this organization and donated over 300 toys! Due to the impressive response, the students have asked to partake in the spirit of this drive again in December of 2019.

Halloween

Halloween was an exciting time at Saint Mary High School! Of course, the students dressed in costume, but they also participated in an event called SOCKTOBER, to benefit Eva's Village, a faith based non-profit organization that provides care and support for people struggling with poverty, hunger, homelessness, and addiction. Students either donated a package of socks or a monetary contribution as part of the festivities. Baskets of socks and over \$700 were collected and sent to this worthy organization from the young adults at Saint Mary High School!

"Movember Movement"

During the month of November, Saint Mary High School participated in "No-Shave November" or better yet, the "Movember Movement." Male teachers grew a mustache for the entire month of November to raise awareness for Prostate Cancer. Teachers took pictures weekly to show the progression of the mustaches and styles they came up with. For the participants and students, a dress down day was held at the end of the month where the entire school wore blue; the color of Prostate Cancer Awareness. All proceeds collected were donated.

Why I Give!

I contribute to give someone the same opportunity that I had: the teachers, coaches, and friends who were all a part of the growing up in the St. Marys experience. Those wonderful lessons stay with you the rest of your life.

– Jack Love, Class of 1952

Ways of Giving – Investing in St. Mary

People support a cause or institution because they believe in its mission and purpose. St. Mary's donors support the school because they believe in the quality of education provided and the flexibility it maintains in order to respond where needs and opportunities are greatest.

St. Mary's keep donors' needs in mind by offering a plethora of giving options. Unrestricted gifts made to the school go into the general fund and are spent at the discretion of the administration to be used where needed most. Restricted gifts may also be made for a variety of purposes.

The desire to give, investment opportunity, and the impact of federal and state taxes are three considerations that should be kept in mind when planning a gift. The magnitude of a gift can vary considerably depending on timing, type of gift, and vehicle used.

All departments, the library, and athletics have needs and projects to explore.

Cash

Cash giving remains the most used and the most feasible giving method. *Matching Gift* — Many businesses and corporations have a policy in which they will match or partially match an employee's cash donation.

Appreciated Securities

Millions of Americans own securities. If consideration is being given to making a gift of stocks, bonds, money market or mutual funds, they are easy to transfer and currently offer favorable tax benefits.

Tangible Personal Property

Donated personal property in the form of books, art, equipment, furnishings, etc., may be an excellent gift opportunity for the donor and of great benefit to the school. These "gift-in-kind" investments are encouraged at any time.

Bequests

All schools today face rising costs for faculty salaries, scholarship aid, equipment and energy needs, to name a few. A gift through a will can help St. Mary's meet these needs for the future.

A general bequest of an unrestricted sum of money, or a predetermined percentage of the estate are the most common testamentary gifts. Other forms include designated bequests for specific purposes; residuary bequests consisting of money or property left over after specific bequests have been made and contingency bequests if other heirs have died.

Alumni Memorial Fund

Contributions to this fund are used for student financial aid.

Memorials

This special form of commemorative giving allows the donor to remember someone the donor admires, respects, loves or wishes to honor on a particular occasion.

Most memorial gifts are in the form of cash; however, gifts of property, securities and more substantial memorial bequests are also encouraged. Gifts may be made to the general fund or a named memorial fund.

Funds have been established to support various purposes. Named funds are established in honor, in memory, or in the donor's own name. Donors interested in establishing a named fund should contact the Alumni/Development Department.

Contributions to the following existing named funds will be administered through the Alumni Memorial Fund.

Lucille and Anthony Chiaviello Memorial Scholarship
Philip F. Sheridan, Sr. (35) Memorial Scholarship
"Coach" Leo Moran Memorial Scholarship
Thomas J. Holden (59) Memorial Scholarship
